Source III

“Globalization, as defined by rich people like us, is a very nice thing... You are talking about the Internet, you are talking about cell phones, you are talking about computers. This doesn't affect two-thirds of the people of the world.”

- President Jimmy Carter

Examine all three sources on the previous two pages and complete the following assignment.

Examine each source.

Write a response in paragraph form in which you must:

- **interpret** each source, **explain** the perspective(s) on globalization presented in each source, and **discuss** the links between the principles of globalization and each source

AND

- **identify** and **explain** one or more of the relationships that exist among the three sources

Reminders for Writing

- **Organize** your response
- **Proofread** your response
